

The Big Ask

a quiz for the Royal Hospital for Neuro-disability

Royal Hospital for
Neuro-disability

Hosting your own virtual Quiz for the RHN

Rather than getting together at your local pub, hold a virtual quiz from the comfort of your own sofa.

Preparation

- Designate a quiz master! (Somebody will need to be in charge of the questions!)
- Choose a platform to host your quiz- Zoom, Skype or House Party
- Set a date and time
- Invite friends and family
- Ask for their email so you can add them in advance
- Do a test round to make sure the technology is working
- Adhere to Covid-19 guidelines

Raising money for the RHN

Not only will this be a fun way for you and your family and friends to socialise at a social distance, you can also choose to support the RHN.

This quiz is free. However, if you would like to help support our nurses and patients at this trying time, then a great way to raise some funds is to ask you your guests to donate an entry fee. You can set this yourself or just ask for a donation. They can either transfer the money to you (for you to donate the proceeds to us) or you can set up a [JustGiving page](#) which you can share with your fellow quizzers – you can include all the quiz details on there.

Round 1 – General knowledge

1. In what year was the first iPhone released? **2007**
