

# Open lecture

## Open Lecture –

### **In conversation with a Royal Hospital for Neuro-disability physiotherapist, speech and language therapist and occupational therapist**

**Facilitator:** Katie Richards, Brain Injury Service Therapy Manager, Royal Hospital for Neuro-disability

#### **Panel Members:**

Teresa Clark, Physiotherapy Professional Lead

Sarah Crilly, Specialist Speech & Language Therapist

Susie Wilford, Senior I Occupational Therapist

Thursday 26 April 2018

4.30–5.30pm

Conference Room

Royal Hospital for Neuro-disability

The lectures are free, but please register online if you plan to attend as places are limited: <https://conversationwithptstot.eventbrite.co.uk>

Join us for an informal Q&A with some of the clinical team here at the RHN.

- What's it like working with our patients and residents day to day?
- What is it like to work in such a specialist environment?
- How does being a charity make us special?

Plus much more!
